

## Canton After School Enrichment at Cherry Brook School

One of the many new and exciting adventures in elementary school is the chance to join friends and classmates for enriching and inspiring classes before and after school. With classes for students of all ages and interests, you are bound to have FUN at Cherry Brook after school.

How the program works...

Attached is a schedule of classes offered at Cherry Brook Tuesdays, Wednesdays and Thursdays 11/19-12/19.

General Registration Period for Winter classes is 11/7-11/14.

Additional program information and to register: [www.CantonASE.com](http://www.CantonASE.com)

You will receive registration confirmation via email, please check your SPAM folder if you do not receive an email from us after registering.

We 'confirm' classes once enrollment reached 8 students. This is indicated on the website next the class name. All classes are confirmed or cancelled when General Registration ends, 11/14. Enrollment confirmations will be sent via email before the scheduled start date.

We provide enrollment rosters to the school. Parents only need to write a note regarding their child's school dismissal if your child will NOT be attending after school.

At the end of the school day, children are dismissed from their classrooms to the Media Center where attendance is taken by our after school Site Director before heading to their after school program.

When classes are in session, our Site Directors manage attendance, dismissal, and are on deck to assist instructors, students and parents, during class time. All Site Directors are First Aid, AED, and CPR-trained and handle medical and allergy protocols for all students.

Pick-up is at 4:45 PM, by the main school exit. Please be on time for pick-up!

If you can't join us this December, create an account today at [www.cantonasecom](http://www.cantonasecom), and we will keep you up to date when Winter and Spring class schedules are posted, and open for registration too.
